

A black Defender HD 720P webcam. It features a large, rectangular body with a prominent microphone grille on the left side. The lens is centered on the front face. Below the lens, the text "HD 720P" is printed. The webcam is mounted on a flexible, black gooseneck that is attached to a base. The base has the "Defender" logo on it. A black cable is connected to the back of the webcam.
